**The West Metro Regional Airport Authority
Meeting Minutes
Wednesday, October 18th, 2006 at 1:30 PM.**

A special meeting of the West Metro Regional Airport Authority was held on Wednesday, October 18th, 2006 at 1:30 PM at the Adel City Hall.

In attendance were authority members Mo Warford, Larry Lyon, and Randy Hefner.

Also present were Interim Administrator Chad Bird, and Board Attorney John Reich.

Agenda

1. Discussion and possible action concerning the proposed landowners meeting scheduled for Tuesday, October 24th, 2006.

Lyon noted the correction of the date on the agenda of the October 24th meeting.

Hefner briefed the board on the reason for the meeting. He was proposing a change to the format for the landowners' meeting. Hefner said, in cooperation with McClure Engineering, a series of time slots was set up to meet with landowners one-on-one on November 29th and 30th and December 6th and 7th.

Hefner said this would give landowners the opportunity to learn more about the issues that impact them specifically.

Lyon noted the format of meeting with landowners was an effective format for disseminating information. He said the format being set up by the Authority would work well.

Warford concurred that a one on one format would be a better way to speak with each landowner.

Lyon moved to cancel the Tuesday, October 24th, 2006 landowners meeting and to adopt the schedule set forth for meeting with the landowners one on one.

Hefner seconded.

Motion passed unanimously.
